LOCAL PRACTITIONERS PRESENT CLINICAL MEDICINE ADVANCES

MISSOULA—

Local medical practitioners will present the latest clinical advances in the areas of infectious disease, cardiology and pediatrics in a spring-semester lecture series at The University of Montana.

The 14 lectures in the series are scheduled from noon to 1 p.m. Thursdays in Chemistry/Pharmacy 109. They began Jan. 30 and will end May 8.

Participants can earn up to 1.4 continuing education credits, depending upon the number of sessions attended. The cost is \$100 for the series, \$75 for 10 sessions, \$40 for five sessions or \$9 per session.

The remaining lectures on infectious diseases are:

Feb. 13 — "Infection Control and Vaccination," by Dr. Beth Thompson.

Feb. 20 — "Recent Advances in the Understanding of HIV Infection," by Jack Nunberg, Ph.D.

The programs on cardiology are:

Feb. 27 — "Atrial Fibrillation: The Road Less Traveled," by pharmacist Lori L. Schoonover.

March 6 — "Future Directions in Valve Surgery," by Dr. Carlos M.G. Duran.

March 13 — "Newest Nutritional Tips for Heart Disease Prevention," by registered dietitian Carla E. Cox.

- more -

March 27 — "Update in Anti-coagulation Management," by pharmacist K.A. Wieland.

April 3 — "Infective Endocarditis," by pharmacist Douglas J. Black.

Pediatrics programs:

April 10 — "Current Approach to Management of Acute Otitis Media," by Dr. Kimberly J.

Caruso.

April 17 — "Introduction to Pediatric Neurology," by Dr. Ethan B. Russo.

April 24 — "Pediatric Diabetes: The Team Approach," by registered dietitians Carla E.

Cox and Sharon Johnston.

May 1 — "Introduction to Common Neonatal Problems," by Dr. Steven F. Wallace.

May 8 — "Allergic Rhinitis in the Pediatric Patient," by Dr. Janice R. Gomersall.

To register for continuing education credit, call the Center for Continuing Education's toll-free registration number, (888) 254-2544, and select option 3.
